Providing Scholarships to the Children of Charlotte -
Mecklenburg's First Responders

Rotary Club of Charlotte

The Rotary Club of Charlotte wants to express its deepest appreciation to our own First Responders for their never ending efforts to protect our safety and security. Following the events of 9/11, we decided to provide support through a scholarship fund for the children of those who protect and serve our community. Since the inception of this event in 2002 the event has raised over \$1,000,000 and awarded over 90 multi-year college scholarships to the families of our Charlotte- Mecklenburg First Responders.

**Please join us in continuing this important work by supporting the
Charlotte Rotary 9/11 Scholarship Fund, a component fund of the Foundation for the Carolinas**
